Children's Program

Term 4 Prep 2008 School Starters Program

Session 1 Wednesday, 31st October 9.10am - 10.10am
Children will spend their time in the Prep area choosing from a variety of fun activities, mixing with some of this years Preps and 5/6 buddies. This session is an introduction to the Prep area and each other.

Session 2 Wednesday, 7th November 9.10am - 10.45am
Our daily Literacy Program involves Big Books and Learning Centres. Today children will be able to explore different activities in the classroom. After listening to a Big Book children will be creating something marvellous in our amazing art room. We will be having a play on the Adventure Playground. Children will need to bring a snack, drink and hat for this session.

Session 3 Wednesday, 14th November 9.10am - 10.45am
The daily Numeracy Program involves children using a variety of hands on equipment to discover all things mathematical. Children will explore number, measurement and space in this session. They will also be introduced to Physical Education. Children will need to bring a snack, drink and hat for this session.

Session 4 Tuesday, 20th November 9.10am - 12.30noon
Today children will be introduced to the Library, listening to stories and completing an activity. We will finish our program with a 'P' for Prep Picnic. Children will need to bring or wear something starting with 'P', you might come as a pirate or bring your purple pencil. Children will need to bring a snack, drink and hat for this session.

Parent's Program

Term 4

Session 1 Wednesday, 31st October 9.15am - 10.10am
Once your child is settled morning tea will be available in the staff room. You will have an opportunity to meet and chat with the principal, Cheryl Sanders and some of this years Prep parents to gain a personal perspective on starting school.

Session 2 Wednesday, 7th November 9.15am - 10.00am
Our Literacy Coordinator will explain the Early Years Literacy Program and suggest ways to help your child at home. Materials commonly used in the classroom will be available for you to investigate.

Session 3 Wednesday, 14th November 9.15am - 10.00am
Today our Numeracy Coordinator will introduce you to some maths materials and terms commonly used in the classroom along with ways to be mathematical at home. Our school uniform will be on display.

Session 4 Tuesday, 20th November 9.15am - 10.00am
Our Welfare Coordinator, Pam Janssen will discuss the Support Services available in our school, including Speech Pathologist, Social Worker and Seasons Program. After this you will have the chance to purchase school uniforms.

11.45 - 12.30 Parents and extended family are invited to join us for the P Prep Picnic.

Session 5 Tuesday, 27th November
6.15pm School Uniform available for purchase
Evening Session 7.00pm - 8.00pm

Prep Parent Information Evening.
