## Inclusion and diversity

Oakleigh Primary School and Kindergarten has a history of over 130 years and is part of a thriving, bustling, multicultural community. The school population reflects this cultural diversity with approximately 32 different nationalities. About 40% of our students come from a language background other than English. Our SFO (Student Family Occupation) is high. We are proud of our diversity and inclusive school community.

Oakleigh Primary School is committed to creating a school community where all members of our school community are welcomed, accepted and treated equitably and with respect regardless of their backgrounds or personal attributes such as race, language, religious beliefs, gender identity, disability or sexual orientation so that they can participate, achieve and thrive at school.

Oakleigh Primary School acknowledges and celebrates the diversity of backgrounds and experiences in our school community and we will not tolerate behaviours, language or practices that label, stereotype or demean others. At Oakleigh Primary School we value the human rights of every student and we take our obligations under anti-discrimination laws and the Charter of Human Rights and Responsibilities seriously.

Oakleigh Primary School will:

- actively nurture and promote a culture where everyone is treated with respect and dignity
- ensure that students are not discriminated against (directly or indirectly) and where necessary, are reasonably accommodated to participate in their education and school activities (eg schools sports, concerts, camps and excursions) on the same basis as their peers
- acknowledge and respond to the diverse needs, identities and strengths of all students
- encourage empathy and fairness towards others
- challenge stereotypes that promote prejudicial and biased behaviours and practices
- contribute to positive learning, engagement and wellbeing outcomes for students
- respond to complaints and allegations appropriately and ensure that students are not victimised.

Class Representatives assist the school in building a strong sense of community through encouraging parent and involvement. Class Representatives arrange activities to promote inclusion of all families in their child's grade or year level. Consideration is also given to making new families feel welcome that enrol throughout the year.

Oakleigh Primary School recognises the many religions, festivals and days of observation that are celebrated by members of our school community.

School staff continue to engage in professional learning opportunities around diversity and inclusion including Community Understanding Training (CUST), Disability Standards for Education e-learning and Inclusive Classrooms Professional Learning Suites.

In 2021 the Assistant Principal and AIP wellbeing leader will undertake training in Respectful Relationships to roll out to the wider teaching staff and student community in 2022.

Bullying, unlawful discrimination, harassment, vilification and other forms of inappropriate behaviour targeting individuals or groups because of their personal attributes will not be tolerated at Oakleigh Primary School. We will take appropriate measures, consistent with our *Student Wellbeing and*

*Engagement* and *Bullying* policies to respond to students who demonstrate these behaviours at our school.

Students who may have experienced or witnessed this type of behaviour are encouraged to speak up and to let their teachers, parents or carers know about those behaviours to ensure that inappropriate behaviour can be addressed.

Students that are involved in bullying or harassing others on the basis of their personal attributes will be supported to understand the impact of their behaviour through Restorative practices.

### **Reasonable adjustments for students with disabilities**

Oakleigh Primary School also understands that it has a legal obligation to make reasonable adjustments to accommodate students with disabilities. A reasonable adjustment is a measure or action taken to assist students with disabilities to participate in their education on the same basis as their peers. Reasonable adjustments will be made for students with disabilities in consultation with the student, their parents or carers, their teachers and if appropriate, their treating practitioners. Our school may consult through Student Support Group processes and in other less formal ways. For more information about support available for students with disabilities and communicating with us in relation to a student's disability, please refer to our school's Student Wellbeing and Engagement Policy or contact the Assistant Principal for further information.
